ORDER NUNC PRO TUNC

ORDER APPROVING QUALIFIED SUBDIVISION

In conference in its office in Austin, Texas, the Railroad Commission of Texas took up for consideration the matter of correcting the Final Order entered on April 20, 2010, in Oil and Gas Docket No. 03-0262096. The Final Order contains a clerical error in Conclusion of Law No. 4, incorrectly identifying the effective date of the Order as April 6, 2010, whereas the correct date is April 20, 2010.

Additionally, Exhibit II attached to the Final Order contains a clerical error incorrectly identifying the Montgomery County Clerk's File Number for two separate tracts of land as No. 99064164. The corrected paragraph should identify 274.7095 acres of land being a call 274.908 acre tract with Montgomery County Clerk's File No. 99064157 and 274.7095 acres of land being a call 274.908 acre tract with Montgomery County Clerk's File No. 99064164, being equal halves of 549.419 acres of land being a call 550 acre tract.

IT IS THEREFORE ORDERED THAT the Final Order in Oil and Gas Docket No. 03-0262096, dated April 20, 2010, is hereby amended nunc pro tunc to reflect the corrections as stated above.

Done this 18th day of May, 2010.
