The Commission finds that after statutory notice in the above-numbered docket heard on May 31, 2006, the presiding examiner has made and filed a report and recommendation containing findings of fact and conclusions of law, for which service was not required; that the proposed application is in compliance with all statutory requirements; and that this proceeding was duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas.

The Commission, after review and due consideration of the examiner's report and recommendation, the findings of fact and conclusions of law contained therein, adopts as its own the findings of fact and conclusions of law contained therein, and incorporates said findings of fact and conclusions of law as if fully set out and separately stated herein.

Therefore, it is ORDERED by the Railroad Commission of Texas that Apache Corporation be and is hereby granted permission to produce its J.S. Elliff et al Lease Well Nos. 54, 58 and 70, and Rivers "A" Lease Well No. 26, Agua Dulce (Consolidated Frio) Field, Nueces County, Texas, under increased gas-oil ratio authority with an unlimited daily gas allowable.

It is further ORDERED that all overproduction for the Apache Corporation J.S. Elliff et al and Rivers "A" Leases, in the Agua Dulce (Consolidated Frio) Field, be and is hereby canceled as of the date of the Final Order.

Done this twentieth day of June, 2006.
