

RAILROAD COMMISSION OF TEXAS  
HEARINGS DIVISION

OIL AND GAS DOCKET  
NO. 10-0295515

IN THE PERRY (MARMATON) FIELD,  
LIPSCOMB AND OCHILTREE COUNTIES,  
TEXAS

FINAL ORDER  
NUNC PRO TUNC  
APPLICATION OF APACHE CORPORATION  
TO SUSPEND THE ALLOCATION FORMULA  
PURSUANT TO STATEWIDE RULE 31  
FOR THE PEERY (MARMATON) FIELD  
LIPSCOMB AND OCHILTREE COUNTIES, TEXAS

In conference at its office in Austin, Texas, the Railroad Commission of Texas took up for consideration its Final Order entered on May 12, 2015, the matter suspending the allocation formula for the Peery (Marmaton) Field, Lipscomb and Ochiltree Counties, Texas. The Commission finds that the Final Order entered on May 12, 2015, included the incorrect field name for the Peery (Marmaton) Field. This *nunc pro tunc* Final Order includes the correct field name of Peery (Marmaton) Field.

Accordingly, it is **ORDERED** that the Final Order in Oil & Gas Docket No. 06-0289824 be, and the same is hereby, amended *nunc pro tunc* to correct the field name Perry (Marmaton) Field to Peery (Marmaton) Field.

Furthermore, it is **ORDERED** by the Railroad Commission of Texas that the allocation formula in the Peery (Marmaton) Field is hereby **SUSPENDED**. The allocation formula may be reinstated administratively. While the allocation formula is suspended, if, for any month, the market demand for gas production from a well in the Peery (Marmaton) Field falls below 100% of deliverability, as determined by the deliverability tests on file with the Commission, the Commission must be notified pursuant to Statewide Rule 31(j).

Done this 14<sup>th</sup> day of July, 2015.

RAILROAD COMMISSION OF TEXAS

(Order approved and signatures affixed by  
Hearings Divisions' Unprotested Master  
Order dated July 14, 2015)
