**Amend §3.86 and other rules re: UFT fields**

Amend §3.86 and other rules re: UFT fields

Under (6) Plat requirements - it says that a Registered Professional Land Surveyor or a Professional Engineer may be used to prepare a plat. Professional Engineers are not registered to perform boundary surveys in the state of Texas. Therefore they could not set up the tract or lease lines as needed to prepare permit Plat.

E.L. "Buster" Sartain  
Registered Professional Land Surveyor  
State of Texas No. 1978

E.L.S. Surveying & Mapping, Inc.
