Dear Sir or Madame:

I am President of the Texas Society of Professional Surveyors (TSPS). TSPS is an association having more than 1,600 members. As you know, the referenced rules were published in the *Texas Register* on November 6, 2015 (40 TexReg 7766-7776). Via correspondence dated December 4, 2015, TSPS requested that the Railroad Commission of Texas hold a public hearing on the referenced rules before adopting same.

The purpose of this correspondence is to advise you that TSPS hereby withdraws its request for a public hearing on the referenced rules. Please let me know if you have questions or require additional information at this time. Thank you for your assistance.

Sincerely,
