The Railroad Commission of Texas ("Commission") finds that after statutory notice in the above-numbered docket heard on July 11, 2019, the technical examiner and administrative law judge ("Examiners") have made and filed a report and recommendation containing findings of fact and conclusions of law, for which service was not required; that the proposed application complies with all statutory requirements; and that this proceeding was duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas.

The Commission, after consideration of this matter, hereby adopts as its own the findings of fact and conclusions of law contained in the Report, and incorporates said findings of fact and conclusions of law as if fully set out and separately stated herein.

Therefore, it is ORDERED that the W. Ainsworth Oil Unit Lease, Well No. 1, in the Word (Wilcox, Lower) Field (98766284), Lavaca County, Texas, may produce under an increased net gas-oil ratio authority with a daily casinghead gas limit of 2,200 thousand cubic feet of gas per day. For the subject well, all oil and casinghead gas overproduction shall be cancelled.

Pursuant to §2001.144(a)(4)(A), of the Texas Government Code, and the agreement of the applicant, this Final Order is effective when a Master Order relating to this Final Order is signed.

Signed September 11, 2019.
